ST GEORGE'S BEACH

Exclusive Beach Venue at Ayios Georgios

BEACH VENUE

- Ceremony on the sand
- Stunning remote location
- Religious ceremony option

This location offers the perfect backdrop for a "Toes in the Sand" romantic wedding set against the stunning backdrop of a picturesque beach. Your wedding ceremony will take place on one of the two immaculate beaches situated within the enchanting St. George's Bay, nestled in the unspoiled beauty of Agios Georgios, near the Akamas Peninsula, a designated natural reserve.

The ceremony can be officiated by a Marriage Officer from Peyia Town Hall, or if you prefer a religious ceremony conducted by the Anglican Church. If you don't want a legal ceremony you also have the option to select a personalised symbolic ceremony. This idyllic beach venue is available for weddings from April through October, with ceremonies typically scheduled in the afternoon between 2:30 and 6:00 PM.

ST GEORGES BEACH

This beach is situated within the wild and unspoiled coastline, near a small island known as Yeronisos, which translates to "Sacred Island." The beach offers seclusion, providing an intimate and uncluttered environment for your special day. You'll have exclusive use of the beach for a period of 1.5 hours, during which we will provide elegant Chiavari chairs for your guests, a stylish white ceremony table, and a wooden floral gazebo adorned with a decorative hanging chandelier. For those seeking additional decorative elements, we offer options like an aisle runner, vertical chair drapes, lanterns, and flower stands.

If you wish to have post-ceremony drinks on the beach, we can arrange for a white wooden bar and serve your choice of beverages while you enjoy music from our sound system.

This location is a visual delight, with captivating rock formations, enchanting rock pools, and the deep blue Mediterranean Sea as your backdrop, ensuring that your wedding photos will be truly unforgettable.

Please note that while confetti is not allowed on the beach, the use of fresh petals or bubbles is permitted!

MINTHIS

Stunning mix of ancient & modern

HIGHLIGHTS

- Stunning golf resort
- Monastery ceremony
- Modern clubhouse
- Choice of venues
- Fabulous food
- Accommodation on site

Minthis is a beautiful golf resort set in the hills at Tsada 10 mins from the centre of Paphos. It has an ancient monastery 'Stavros Tis Minthis' in the grounds which can be used for both civil and Anglican wedding ceremonies, whilst the ultra modern and stylish clubhouse offers a complete contrast for a totally private wedding reception. We love this venue so much that our very own Katie Morley chose this for her own wedding in 2018! Minthis guarantees only one wedding per day to give you complete privacy and the clubhouse is closed to the public from 7pm ensuring that your reception is completely private too.

Your ceremony can take place in the ancient walled monastery courtyard surrounded by herb gardens and entered by rustic wooden doors, or inside the byzantine chapel (religious ceremonies only) or alternatively on the green lawn in front of the clubhouse. For the cocktail reception you can choose between the green lawn or Minthis bar, and the reception meal takes place either in the clubhouse restaurant, or the green lawn overlooking the course for wedding parties with over 100 guests.

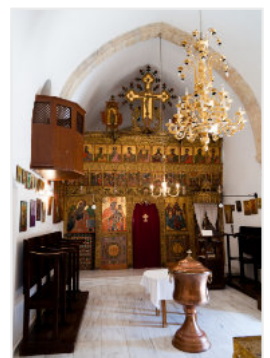

MINTHIS

Ceremony & Cocktails

The secluded monastery is perfect for a romantic and atmospheric wedding, with a dramatic entrance for the bride through the rustic wooden doors into the walled courtyard. After the ceremony the bride & groom leave in their very own 'just married' golf buggy to plant their own olive tree in the olive garden. They then drive back to the clubhouse or green lawn for drinks and relaxing with their guests. The VIP suite in the clubhouse is for the private use of the couple throughout the wedding and they are presented with a complimentary bottle of Prosecco, water and fresh fruit platter so they can share some private time together.

MINTHIS

Reception & Party

Whether you have your reception meal in the clubhouse or outside on the green lawn, you can guarantee that the food will be fabulous. After dinner it is time to party in the enclosed dance area overlooking the green, this can be enhanced with a starlight dance floor plus heart or LOVE lights to add that special touch. For a magical effect why not have the first dance outside surrounded by fireworks for those stunning photos - guests have a birds eye view from the veranda of the clubhouse. The party continues until midnight, or until 2am for an extra charge.

ST PAUL'S PILLAR

Church wedding venue

License Fee	€282.00
Church donation	€700.00
Renewal of vows	€350.00

HIGHLIGHTS

- Ayia Kyriaki Chrysopolitissa
- Historic site
- Perfect for larger weddings
- Greek Orthodox Church
- Anglican weddings
- Catholic weddings

Steeped in history, this lovely old church was originally built around 1500AD as a Latin church on the site of a small church which was destroyed in an earthquake in 59 AD. St Paul & St Barnabas visited Cyprus in 45AD, & converted the Roman Proconsul Sergius Paulus who became the first Christian ruler and Cyprus the first Christian country. Tradition has it that St Paul was scourged here at a pillar near this church, so the church is therefore often known as 'The Church by St Paul's Pillar'. The church with its spacious interior & high vaulted ceiling is suitable for larger weddings and can seat 100-120 guests comfortably, & it also has an organ which can be played during the ceremony. The church is Greek Orthodox but Anglican & Catholic weddings are possible by kind permission of Bishop Chrysostomos Metropolitan of Paphos. This church was also made famous by the visit of Pope Benedict XVI in 2010.

The church site is managed by the Antiquities Dept as it contains many irreplaceable monuments & mosaics which are protected by a raised walkway, for that reason it is forbidden to throw confetti. The church and surrounding ruins make a great backdrop for photos after the ceremony.

The church was recently built by a local company as a gift to the Greek orthodox Church, and the donation of 200 Euros paid to the Greek Orthodox church goes to help local children. Inside, the church is laid out in the traditional cross shape with wooden seating and decorative icons on the back wall, it is deceptively large and will seat around 50 guests. There is no organ inside the church but music can be played on CD player or we can arrange a live musician or singer.

VIKLARI - THE LAST CASTLE

Stunning Akamas Peninsular location

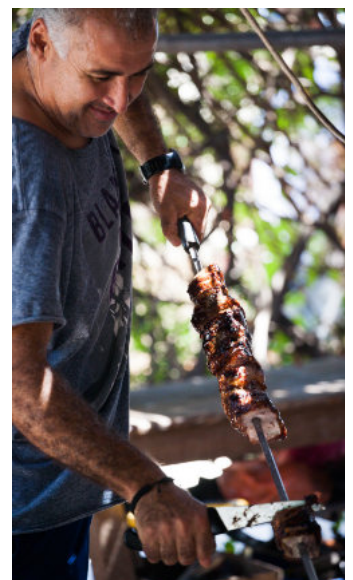

HIGHLIGHTS

- Overlooking Lara Bay
- World famous restaurant
- Grape vine pergola
- Rustic design
- The best BBQ meats ever!
- Simple menu

This world famous family run restaurant is amazing! Situated right on the protected Akamas Peninsula and overlooking Lara Bay where the turtles hatch, this restaurant is perched on the hillside, built from rustic stone and with massive stone tables it is like a scene from the Flintstones! Covered in grape vines, and surrounded by gardens this rustic venue is amazingly popular. The food is very simple but perfect - chicken and pork Souvla (BBQ meat) cooked by the owner on a huge wood fired BBQ and served with a succulent Cyprus salad, massive chips which are to die for, and village bread. It isn't possible to have your wedding ceremony here, but it is the perfect location for a relaxed and informal afternoon reception meal in this unique location under the cool green grape vines. The restaurant is accessed via dirt roads winding through the unspoilt Akamas Peninsular, and a traditional village fun bus is rugged enough to tackle these rough roads, and a fun way to arrive and depart.

Why not follow a ceremony on the St Georges Beach or Gliko Nero Bay with a fabulous and very good value for money meal (no venue hire fees) with a few bottles of local wine and beer. What more could you ask for?

COLOSSEUM RESTAURANT

Roof top Paphos venue

HIGHLIGHTS

The Colosseum restaurant is a very popular rooftop Italian restaurant within a few meters of the Olympic Lagoon Hotel and close to most tourist hotels in Kato Paphos. The owner Nikos is very welcoming, the food is good and they have regular great live music acts throughout the summer season.

The wedding receptions take place in a semi-private area on the roof underneath the wooden pergola, guests are seated on white covered chairs at white linen covered tables, we can of course add additional decorations as required. There is a choice of wedding menus and it is very good value for money as there are no venue hire charges.

If there is not a live music act on the day of your reception you can have your own musician or DJ on the roof, there is room for dancing, or perhaps have a Cypriot dancing display to get the party going.
