HOW TO *book* YOUR DECOR

1. Download our Dressing Booking Form from your message /email or website www.marrymecyprusdecor.com or email us for a copy at orders@marrymecyprus.co.uk
2. To check availability and “Secure the Date” send an email to: orders@marrymecyprus.co.uk. The Team will generate an invoice in the amount of €100 for the non refundable Booking Fee. This amount is deducted from your final décor invoice which is due 6 weeks prior to your Wedding Day.
3. Once the Booking Fee is paid, you will receive a receipted invoice. You can now sit and relax, safe in the knowledge that the services of Marry Me Cyprus are reserved for your Wedding Day, then all you need to do is start selecting your Decor!
4. Once you have chosen your décor, download the Dressing Form with the details of your order; alternatively just send it all in an email to orders@marrymecyprus.co.uk. A Proforma Invoice will be issued and at this point in time, we would ask for a further 20% of the total cost to secure all the items. Don't worry, changes can be made up to 6 weeks before the date of your wedding, subject to availability.
5. Should you wish to make interim payments then all we ask is that you email to advise a payment is on its way. We will then issue an updated Proforma which will detail payments made. Your final payment will become due 8 weeks prior to your Wedding Day, at which time the non refundable Booking Fee will be deducted from the balance due and any additional payments made.
6. Just remember, we are here to help you so any queries, just send an email to the Team and we would love to guide you through the process!

WE LOOK FORWARD TO HELPING YOU

TERMS & *conditions*

Please ensure you book your date as early as possible! This will avoid disappointment on dates within peak periods where we may not be able to help you. We are able to take bookings for wedding for 2024-2027.
